## HOW TO GET STARTED

In order for you to get connected to our EasyComs network, you will need a Mikrotik router. You can purchase it yourself, or as a service we could order it for you. The cost of a router excluding installation of your service will be R1, 995 payable on signature of your application. For longer links such as farms over 10km away, R2, 995 for high powered equipment.

Please choose one of our, tailor-made packages to suit your particular need, complete the application form, and together with your payment hand it to your sales person, drop it off at our offices or mail it to [gerrie@easycoms.co.za](mailto:gerrie@easycoms.co.za). Your service will only be activated after we have received your signed application, a Geometric survey has been done to confirm that we can connect you to our service, and payment for the equipment, and your first month's fee has been received.

We will schedule a suitable time for installation @ R 642, normally within 3 days. Please ensure that the PC you will be using is on site. You will need to be present during the installation to check that you are satisfied, and that all functions are working properly. You will be asked to sign off the installation. Should you have any problem whatsoever, we are able to assist with remote technical support.

Should you need any additional bandwidth, we are a call away and we can activate it for you immediately after payment has been received, please note that payments for any additional invoices must be made within 3 days. Please be advised that unpaid accounts will be disconnected without notice, and a reconnection fee of R159.00 will be charged. Any accumulated bandwidth will also be forfeited.

All monthly fees are pre-paid, and must reach us by no later than the 1<sup>st</sup> of each and every month; in the event that you pay manually by EFT from another bank, please ensure that the account is paid three days prior to the 1<sup>st</sup> of the month. Please see our T&C's on our webpage [www.easycoms.co.za](http://www.easycoms.co.za)

We offer a telephone service (028, 044 numbers) Please inquire at our office for the forms and costing regarding this add-on service.
